## **EDUCATION**

Naples High School, Class Of 2027 (3.5 GPA)

## **EXPERIENCE**

Volunteer beach cleanup duty

- After meeting up with everyone at the cleanup site, split up the area and have everyone break off into smaller groups to work together. Plan a place where full trash bags can go, so they aren't scattered all over.
- Don't leave all that bagged up garbage there! Make sure you have a place to dump all the trash safely. If there is the option to recycle, you could even separate trash and recycling to lessen the landfill load.

Publix Super Market – Bagger

- Greet and ask the customer if they prefer paper or plastic bags.
- Pack purchased items into paper or plastic bags.
- Work in tandem with the cashier to efficiently bag all purchases.
- Arrange items so that the heaviest items are on the bottom of the bag.

Rebuilding Together Tampa Bay Inc.

- Assisted in rebuilding homes after hurricane Ian.

Food Kitchen Volunteer

- Feed the homeless at a soup kitchen.
